	Bikini	Mantara y by Debenhams	80% polyamide 20% elastane (excluding trims)	?	I've had this 2 piece for a few years and it's my go-to swimsuit	Yes Via email	"Please note that we will not be able to provide any information as different products have different sources. "Visit any of your nearest Debenhams stores where a member of staff will assist you"
	Blue Jersey Skirt (M)	H&M	66% Polyester 30% Cotton 4%Elastane	Bangladesh	It's one of those skirts that goes with everything. I think I bought it 3 years ago minimum with one of my great friends.	Yes Via email	"Not possible to trace the country origins of materials used in random garments. However, this is something we are looking into." 2017 Trialled "H&M Conscious Exclusive Collection. This feature allowed customers to see where garments were made, what materials were used and who made them."...and again in 2018. Suggestion to look at Arket.

	Dress	Michelle Belau	94% Polyester 6% Spandex	Peru	I've worn this a few times to different dinners and events.	Yes Via email & Instagram	No Reply yet.
	Black top	Bailey	95% Bamboo 5% Elastane	Portugal	It's the best fit. The colour is still very black, the material is & new looking. I've had it for 5 years I think.	Yes Via Instagram & Facebook Page	No Reply yet.
	Top	People Tree	100% Organic Cotton	India	I've worn it a few times but I keep it around as it's what the t-shirt represents that I love as much as the design.	Not yet	
	Top	Rapanui	100% Organic Cotton	India	I've worn this a lot. I've had it for 2 years.	Not yet	
	Top	Uni Qlo	60% Cotton 35% polyester 5% Elastane	Vietnam	I wear this for exercising in. It was my mums.	Not yet
